Ange César Madick

IT Support Specialiste | Full-Stack Software Engineer (MERN, Next.js, React Native, Electron) | DevOps & Cloud
Yaoundé, Centre, Cameroon

Summary

I am a bilingual (English/French) Junior Full-Stack Software Engineer with hands-on experience building, deploying, and maintaining production-ready web and cross-platform applications using modern JavaScript stacks. I work primarily with React (Next.js), React Native, Electron, and backend technologies like Node.js, Express, PostgreSQL, MongoDB, Firebase, and Supabase, with a strong interest in DevOps, Cloud, and Automation. I have practical experience with CI/CD pipelines (GitHub Actions), Docker, cloud deployment, and monitoring tools, enabling me to deliver reliable and scalable solutions. Beyond development, I have experience teaching ICT concepts in bilingual environments, collaborating in Agile/Scrum teams, and using AI-assisted development tools (GitHub Copilot) to improve productivity. What I'm looking for: Junior / Entry-Level Full-Stack, or Software Engineer roles (contract, freelance, internship, or full-time). Let's connect: madickangecesar59@gmail.com Portfolio: <https://madickangecesar.vercel.app> GitHub: <https://github.com/MadickAngeCesar>

Experience

VTC Internationale

Software Engineer Intern

November 2024 - February 2025 (4 months)

Yaoundé

- Built responsive React.js user interfaces and stable Express.js APIs
- Improved application reliability by ~35%
- Implemented GitHub Actions CI/CD pipelines, reducing deployment errors by ~30%
- Collaborated with cross-functional teams using Agile/Scrum
- Worked with Git, version control, and modern development workflows

The ICT University

Instructor

September 2024 - November 2024 (3 months)

Yaoundé, Centre, Cameroon

- Designed and delivered project-based ICT training in English & French
- Trained 20+ students on practical computing and digital skills
- Produced clear technical documentation and step-by-step guides

The ICT University

Student Intern

October 2022 - March 2023 (6 months)

Yaoundé, Centre, Cameroon

Education

The ICT University, Cameroon

Bachelor of Science - BS, Computer Science · (October 2022 - July 2025)
